Prepaid Ticket Order Plan

We have a plan whereby you may purchase an order for railroad service, to be used by a member of your family, or any other person you may designate, at some distant station.

This service offers a particularly safe and convenient way of providing tickets and other railroad service to students returning home at holiday and vacation time.

Prepaid orders may include railroad tickets, sleeping and parlor car tickets, and cash for meals and other incidentals. Your railroad agent will handle them for you and they will be delivered without service charge to any person you may specify, at points on participating railroads in the United States or Canada.
